

Schlep - The Child Safety Advocate Fraud

This document will cover Schlep's extensive history of **defending groomers, belittling CSA [child SA], ignoring pedophilia cases, associating with sexual degenerates and working with CSAM solicitors & distributors while knowing their past history**. It will also cover Schlep attempting to **cover grooming situations up** and **disrespecting victims of grooming** in the process. All these actions ultimately go against his entire position and rhetoric of holding abusers accountable and being a child safety advocate.

- **Schlep defended and covered up the actions of MiniToon**, a popular Roblox game developer. **MiniToon emotionally groomed and took advantage of a 13 year old girl** when he was **16** in 2018, engaged in inappropriate conversations with her and pet-play. He proposed the idea of marriage to her, wanted to fly out to her, share the same bed as her and make out with her.
- Schlep claimed that the victim along with her associates were grasping for straws. **He demeaned them**, claimed they were seeking clout for talking about the situation. **Schlep and Ruben Sim actively stated that 'no one' would take their experience seriously and that there were no signs of grooming.**
- Schlep **employs and actively associates with AceTheNarrator**, someone who has solicited numerous girls for CSAM and distributed CSAM of himself. He attempted to solicit an **11 year old girl** for CSAM when he was **14 and 15** in 2020. **Schlep knew about this, claimed it was all 'lies' and covered it up.**
- Schlep openly defended RVVZ, the owner of Criminality, in a YouTube video. **RVVZ solicited CSAM from a 16 year old girl** when he was 16. Schlep ignored ever addressing this and **silently privated** his video defending RVVZ over a year later.
- Schlep refused to call out Potemer who **sexually assaulted a 12 year old** when he was **16** in June 2022, and then **continued to groom** the minor by proposing the idea of a relationship to her again and living together when he was **18** and she was **14** in July 2024.
- **Schlep claimed that what Potemer did was not rape**, and that there are '**bigger things to worry about**' in the community, rather than a proven child groomer still maintaining a large platform and influence in a community filled with minors.

Schlep defending a groomer [MiniToon]

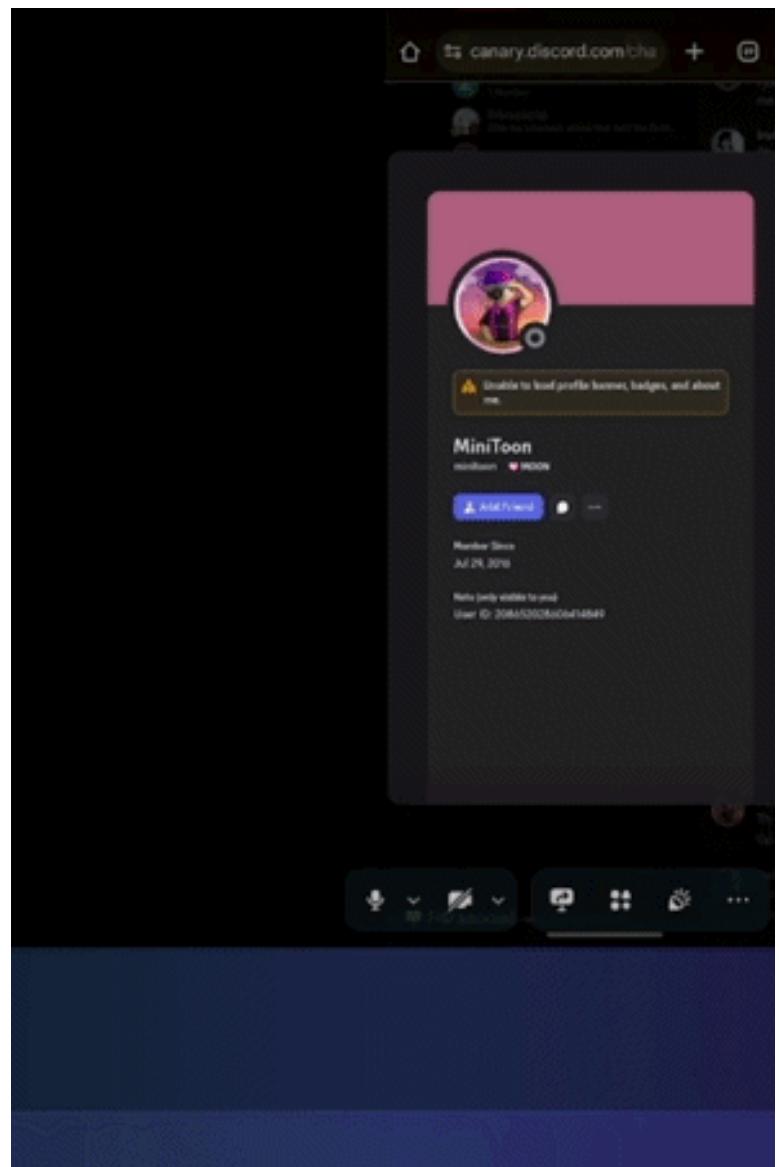

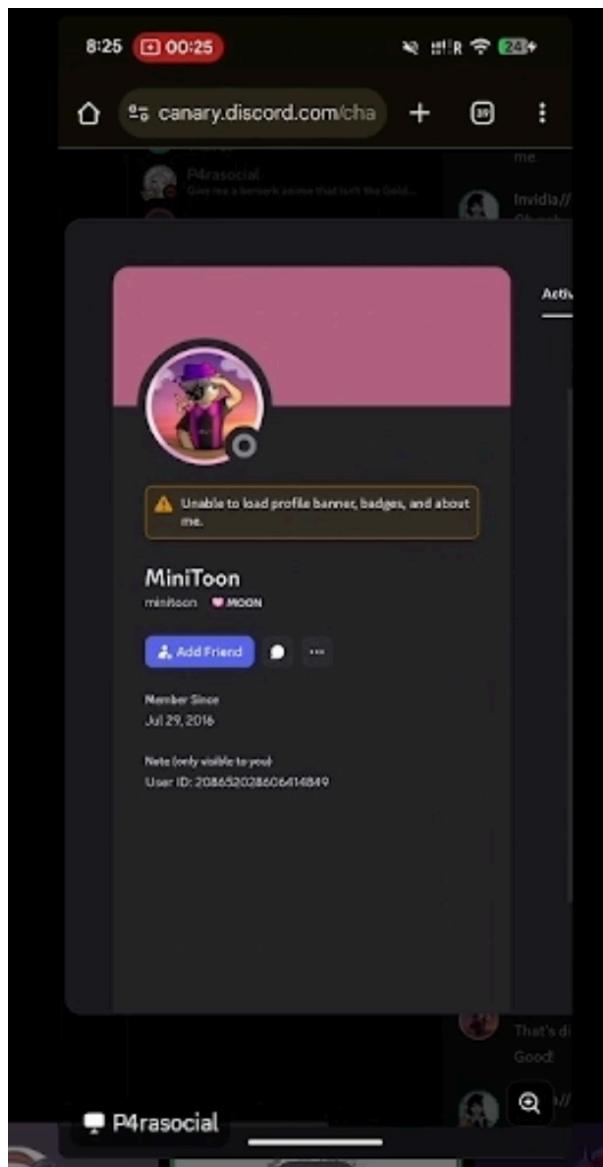

To make this **distinct clarification**, there is a [google drive recording](#) of the **victim screensharing her discord dms with MiniToon**, as well as **Schlep joining the call to consult them and others about the situation**. This is direct, irrefutable evidence that both the discord archives of the MiniToon messages and the Schlep GC are **authentic**.

In 2018, MiniToon, a popular Roblox game developer known for creating Piggy, actively dated and engaged in a close romantic and inappropriate relationship with a **13 year old girl**, while he **was 16**. He knew her age, with the age gap being 3 years 1 month between them. Minitoon engaged in petplay and inappropriate roleplay sessions with this girl, talking about 'licking', 'making out', and 'sleeping' with them. MiniToon even suggested flying out to see this girl, to share a bed with her and even share their 'first kiss'. While the messages are not explicitly sexual as MiniToon was Demisexual, he emotionally groomed this girl and conditioned her to the idea of eventual marriage and meeting up while she was 2 years older. While he would be **18** and she would be **15**.

MiniToon 07/08/2018 at 4:41 AM GMT+1
I just hope you aren't too worried about talking to someone as old as me.

MiniToon is seen acknowledging the victim is 13. MiniToon replies with '**Is that bad?**'. MiniToon is even seen being aware of how problematic the age gap is, by stating; 'I just hope you aren't too worried about talking to someone as old as me'. **[8th July 2018]**.

For clarification, the DMS are in reverse chronological order.

 **MiniToon** 08/28/2018 at 1:55 AM GMT+1
Pins you down harder

After being made aware the age of the victim [13], MiniToon [16], still continues to engage in inappropriate roleplay with the girl, mentioning 'tasting' her lips, showering her with compliments, making comments about 'licking' her, 'pinning her down', 'sleeping' with her, 'kissing' her and 'tackling her'.

MiniToon conditions this girl to the idea of them meeting up, suggests purchasing a plane ticket for them to meet, and even on numerous occasions, compliments her and calls her beautiful and cute, after seeing selfies and pictures she would send him.

MiniToon made it known he was not sexual, **only ever doing someone sexual with someone he would marry**, making his statements about wanting to **eventually marry this girl become more concerning in the process**. A close romantic and emotional relationship like this however, is still morally disgusting regardless. It is unacceptable.

Ruben Sim is seen mocking MiniToon's victim and laughing at her expense.

Schlep defending MiniToon

When the victim wanted to come out about the situation to make people aware of MiniToon's actions, a group chat was created called 'Operation Garden Gnome'. Gwamgo was present inside of it and had added Schlep, so he could consult with the victim.

DeltaScheme archived the group chat.

Schlep was seen being added to a group chat with the victim and numerous of her friends, he had also added GreenLegoCats123 in the process, however he was busy / inactive.

Schlep was seen stating he would be contacting MiniToon to get his side of events and to give clarity to the situation.

 **Schlep** 01/01/2026 23:07

Schlep was then seen asking questions about what the victim's old alias was on behalf of Minitoon. He also stated he would be calling Minitoon in a couple of hours.

 **Adrian** Can't he just lie?

Schlep 02/01/2026 02:28

he sent us his id

 **Adrian** And why would his mom be against it?

Schlep 02/01/2026 02:28

because some parents are against online dating

 **Schlep** he sent us his id

Adrian 02/01/2026 02:28

Oh

Well im wrong then mb

 **Schlep** 02/01/2026 02:29

 **PROM** 02/01/2026 02:32

can we wait for the victim to say something please when she comes online?
im srry but that was too simple something feels wrong

 **brad** 02/01/2026 02:33

no it's making conclusions without the victim being here
it's bullshit

 **Schlep** 02/01/2026 01:44

his birthday is not 2000

he is not a groomer or pedo

@Gwamgo

 **Gwamgo** 02/01/2026 01:45

what year was he born in?
2002?

As soon as Schlep got confirmation that Minitoon would have been 16, not 18 at the time, he immediately stated that Minitoon was not a pedophile and that he did 'not groom anyone', with absolutely no counter evidence and despite the victim not being active in the group chat to make her position clear.

 **PROM** 02/01/2026 02:33
literally

 **brad** 02/01/2026 02:33
how can we assume he isn't a groomer without the victim being here
13 and 16 is immoral and wrong
how can you defend that

 **PROM** 02/01/2026 02:34
@Schlep if ur able to can we see dms with him??

 **Schlep** 02/01/2026 02:35

Who? There wasn't any grooming

Schlep was further seen degrading the victim and claiming that 'there was no victim' and that 'there was no grooming'. While also refusing to be transparent with the people present in the GC about Minitoon's response.

 **Schlep** 02/01/2026 02:35
lol
Who? There wasn't any grooming

 **brad** 02/01/2026 02:35

Dude what are we doing why are we arguing 
I'll take my fault for this and let people know I was wrong

After arguing and getting increasingly hostile with the victim's friends, Schlep sends a voice message of him and Ruben Sim [they were with each other at the time], laughing about the situation and claiming that '**no one will care**' as it was '8 years ago'.

Google Drive archive of the voice message;

Transcript;

Ruben Sim - 'Bruh do you realise no one is going to care about a 16 year old and 13 year old, right?'

Schlep - *laughs in the background*

Ruben Sim - 'And they were both minors and it was 8 years ago, like no one is going to give a fuck about that'.

Schlep - 'Literally'.

 **Schlep** 02/01/2026 02:42
how old are you

 **brad** 02/01/2026 02:42
17??

Schlep was seen defending the dynamic as he was a minor and that it was 'legal', the same excuses that he allegedly levied for Potemer in private and RVVZ. However it is abundantly clear that just because something is legally ambiguous OR not criminal, does NOT make it morally correct, these factors can be diametrically opposed. The age gap dynamic is already concerning, however Minitoon's intentions to meet this minor and engage in a flirtatious and close romantic relationship with her, even escalating the topic of conversation to them eventually marrying, is absolutely concerning and worthy of calling out. MiniToon, days after the minor stated her age being 13, engaged in a close emotional bond with her, escalating this dynamic by showering her with gifts like Robux and compliments. **This is classic behaviour from someone who perhaps has repeated this behavior before.**

 **Schlep** 02/01/2026 02:43
you should look into these laws and what's allowed. not a single DA, police department or any place in the world would ever form an investigation into this you're clearly grasping at straws for clout

 **brad** 02/01/2026 02:43
no one wants clout?

 **Schlep** 02/01/2026 02:43
you clearly do because you want to out someone who did nothing illegal at all

 **brad** 02/01/2026 02:44
still creepy behaviour
why would I want clout when I said multiple times to NOT put me in the video

Schlep was then seen maligning this person as being desperate for 'clout', with no evidence for this charged accusation whatsoever. While this person refuted this claim, Schlep doubled down by claiming they were as they wanted to 'out' someone who did 'nothing illegal at all'.

 **Schlep** 02/01/2026 02:44
how 2 people choose to be in a relationship behind close doors is none of ur business

 **Schlep** you're clearly grasping at straws for clout
 **PROM** 02/01/2026 02:44
srslly we made these call out videos becomes the victim come out and said they were groomed NOT because its for clout hello

 **brad** 02/01/2026 02:45
@P4rasocial isnt here to say jow she feels

Schlep was then seen FURTHER defending this dynamic by claiming to the victims associate that the relationship between Minitoon [16], and the victim [13] was '**none of their business**'.

 **PROM** 02/01/2026 02:45
thats why we wanted to get bigger youtubers into this to reach him

 **Schlep** 02/01/2026 02:45
there is no victim, there isn't anything to call out. even gwamgo dropped it
so if you're wanting to continue you're grasping at straws for clout, as soon as it comes out you'll be clowned into oblivion and probably make yourself liable to any false claims
this was a legal relationship

Schlep further claims once again that; 'there is no victim' and that if these people continue to talk about the situation, then they're only doing it for 'clout'. He continues by stating that they would be 'clowned into oblivion' as this was a 'legal relationship'.

Schlep once again holds strong in his position that there were 'no victims', and that anyone who calls this inappropriate behaviour out is just a 'clout chaser' who is 'grasping at straws', showing **how he is willing to be complicit in keeping this situation from becoming public.**

The victim herself eventually shared her stance on the situation, stating that there was an obvious power dynamic between them which MiniToon took advantage of. She further establishes how disgusting it is to her that Schlep and Ruben Sim are not taking the situation seriously. She further highlights that what happened to her was manipulation and grooming, to which she then leaves after receiving no response 30 minutes later.

Schlep was seen refusing to apologise, instead sidestepping all that the victim had stated and highlighting how the reason why the CallMeCarson situation is perceived different, was because he got images from a 17 year old girl, in which was a crime.

This is extremely ironic however because Schlep has defended people who have solicited and attempted to solicit child pornography before.

Schlep associating with a CSAM solicitor

AceTheNarrator is currently working with, and employed by Schlep to be a voice actor for his channel. Schlep is aware of the ongoing allegations against Ace such as child porn distribution and solicitation as well as AceTheNarrator having allegedly **sexually engaged with a 13 year old girl when he was 16**. AceTheNarrator had also **requested CSAM material from an 11 year old girl when he was 14 until he was 15**. Schlep was made aware of this as of August 2025, yet as late as [February 14th 2026, Schlep was still seen having AceTheNarrator added on discord](https://docs.google.com/document/d/1hJz69nNtVx2WI_Z1spPF-W-wGT9-GmmbRyKM8MbOMM/edit?usp=drivesdk), while also following him on Twitter. Schlep defended Ace by claiming that people are spreading 'lies' against him.

Numerous more examples of Syn [AceTheNarrator], **openly admitting, or attempting to solicit child pornography from numerous girls** he was actively sexually messaging throughout 2020 - 2023.

NHyper 09/27/2022 12:57 PM

'Vyn' attests that there are numerous girls he actively solicited child porn from, with Ace even admitting on 10th January 2021, that he had actively dated 7 girls online.

Even more examples of Syn [Ace] acting extremely sexual towards numerous girls and even pressuring them to engage sexually with him on camera for his own gratification. Many were extremely uncomfortable and felt forced to oblige. Keep in mind regardless of age, this is illegal and a repeat pattern of behaviour that lasted for numerous years, this is made even more concerning with the **multiple examples of large age gaps** being present between Ace and a few girls he interacted with. While some age gaps were around a year, **there are 2 alleged instances of a 3+ year age gap.**

Schlep defending AceTheNarrator

Despite knowing about these allegations for several months, [earliest instance being August 2025], **Schlep continues to associate with, work with and employ AceTheNarrator.** Schlep has attempted to defend Ace's behaviour by either claiming the situation is a lie with no evidence, or once again attempting to claim Ace was a minor when this took place, so therefore it is excusable. This is ironic considering the fact he claimed what CallMeCarson did was illegal when he solicited nudes from a 17 year old when he was 19, yet HE continues to work with a serial child porn solicitor openly who has numerous victims.

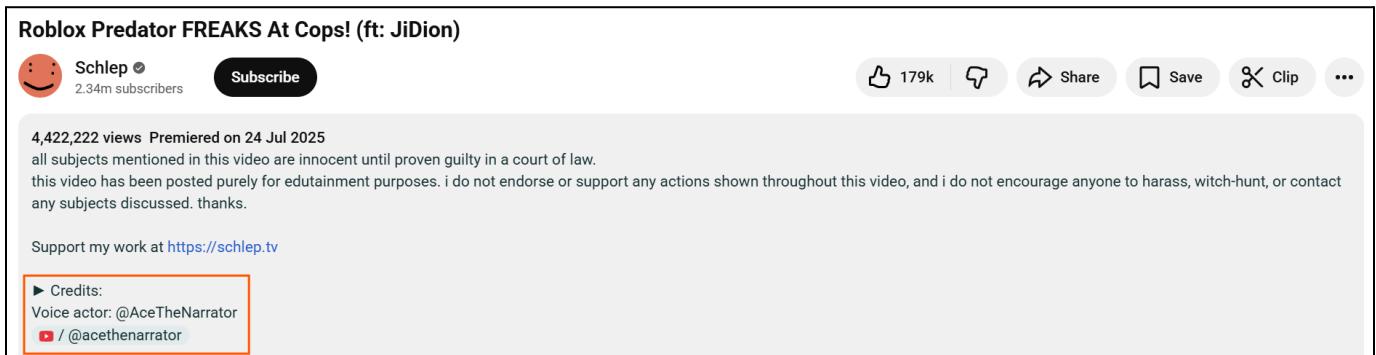

Schlep 5/21/2025 5:25 PM
hey man idk who told you what but i've never said "rape rape rape" in a mocking way about potemer to anyone esp someone who's worked for me
I have no idea who told you that but they're lying
only people I work with is holoren, shinzu and acethenarrator
i really don't appreciate you making posts like that about me
You could've sent me a message and I could've told you instantly
my stance has always been that potemer is weird and deserves being called out but it's not child rape
it's the same stance ruben sim has 🙄
I think there's a lot worse going on with Roblox as of this moment and that's why I'm not focusing on situations like this

Schlep 26/08/2025, 21:22
yo
have u heard anything about ace the narrator being weird
Apparently some ppl are going around spreading lies abt him

Schlep is seen messaging Parlo on 26th August 2025 claiming if he heard anything about AceTheNarrator being 'weird', this proves he was aware of the allegations 4-5 months ago, as of the creation of this document [Jan 3rd 2026].

Schlep provably knew that his associate attempted and on numerous occasions, received child pornography and chose to not call them out, but instead in private, claimed it all to be "lies" to cover for the extent of how depraved his associate was. **Schlep knew the situation for numerous months and chose to do nothing.**

@Parlo_Gaming Schlep why did your friend attempt to solicit cp from an ID verified 11 year old when he was 14, and then he deleted his message where he admitted to speaking to an alleged 13 yr old when he was 16

@RealSchlep ✓ So you just made up something about someone who works for me to label me a predator defender

[January 31st 2025]. Parlo was seen having brought AceTheNarrator's allegations up to Schlep, to which he claimed was 'made up' in response. Schlep also directly admits that **he still actively works with AceTheNarrator.**

This group chat contains information pertaining to AceTheNarrator and his inappropriate behaviour towards an 11 year old girl named Lolee, when he was 14-15. He confirms that he asked her for pornography and requested and attempted to persuade her for CSAM. There are context clues to suggest **he most likely knew her age.**

Correct, but the one that had the age gap 15 and 11 (the 11 year old), that victim did not exist and there is no record of them in the document.

The other age gaps were false.

Well I read the document that was linked and logically based on process of elimination the 15 and 11 one had to have been in reference to someone named Lolee unless you're thinking of someone else.

 **Grady** 09/08/2025 at 2:23 PM GMT-5
Ok so I cross referenced and this person indeed exists

So my question now is that apparently you were having conversations with her at 14 when she was 11..

Did you know about her age?

And the messages exchanged were sexual might I add

Because the thing you forwarded Gwamgo doesn't seem to highlight here

 **AceTheNarrator** 09/08/2025 at 2:26 PM GMT-5
I don't see any conversation about admittance to age

 **Grady** 09/08/2025 at 2:26 PM GMT-5
Okay.

So She claims you knew she was 11

And she deleted a lot of messages because initially she wasn't planning on wanting to talk abt this it looks like..

But we have context clues that you possibly knew her age and I just need some explanations here

One time you asked her if you could see her in a bra and then added "Unless you don't wear them" because 11 year olds are in the middle of when female chest development generally happens..

Another context clue is that she was banned from a discord server after being found underage and you said, "Once you become 13 you can come back". Which alludes the idea that you knew she was 11..

Could you explain some of these messages?

Grady was seen consulting AceTheNarrator on his interactions with the user named Lolee. **Confirming the fact that they did in fact have contact with one-another in 2020. It was also established that all of Lolee's messages were deleted on her end.**

 Grady 09/08/2025 at 2:26 PM GMT-5

 AceTheNarrator 09/08/2025 at 2:31 PM GMT-5
This was due to my sexual addictions because I was used to girls just not wearing bras in pornography I watched

 Grady 09/08/2025 at 2:32 PM GMT-5
Speaking of which, you did ask her to recommend what kind of porn you should watch, right?

 AceTheNarrator 09/08/2025 at 2:33 PM GMT-5
Yes, I did

Grady reiterates that Lolee claimed AceTheNarrator knew she was 11 during their sexual messages.

AceTheNarrator is seen **not denying** that he asked to see Lolee in a bra, however stated in response “unless you don’t wear them”.

AceTheNarrator also **does not deny** the fact **he knew Lolee was below the age of 13** during their messages, as she was banned from his server for being underaged.

AceTheNarrator also **confirms that he did ask Lolee for porn to recommend him to watch.**

  AceTheNarrator This was due to my sexual addictions because I was used to girls just not wearing b
Grady 09/08/2025 at 2:35 PM GMT-5
So why did you try to put your addictions onto an 11 year old..
Right now it doesn't seem you're even denying shes 11 unless you can clarify for me.

  AceTheNarrator 09/08/2025 at 2:36 PM GMT-5
I am currently denying it

  AceTheNarrator I am currently denying it
Grady 09/08/2025 at 2:36 PM GMT-5
okay so..

  AceTheNarrator 09/08/2025 at 2:36 PM GMT-5
Given that literally every other age that has been presented has been a lie

Grady highlights how AceTheNarrator is not even denying the fact that she was 11. Ace then responds that he is ‘currently denying it’.

 **Grady** 09/08/2025 at 2:37 PM GMT-5
Sure but I've presented to you (and I have no reason to lie here), that "Once you become 13 you can come back" was a message you sent..I don't know how that doesn't give any red flags that you knew her age..

 **AceTheNarrator** 09/08/2025 at 2:40 PM GMT-5
That doesn't necessarily mean I knew exactly what it was
But I knew it was near 13

 **Grady** 09/08/2025 at 2:41 PM GMT-5
But she wasn't 13..
My point is that even when you found out she was banned from that server for being underage, you still attempted to ask for nudes

 **AceTheNarrator** 09/08/2025 at 2:42 PM GMT-5
Yes but again, I was 14

AceTheNarrator was seen using the plausible deniability card, and claiming that he knew she was not 13, but that she was 'near' the age.

Grady brings up how Ace **requested CSAM content from her AFTER she was banned for being below the age of 13**, to which AceTheNarrator admits and does not deny.

 **Grady** 09/08/2025 at 2:44 PM GMT-5
Even if you were 14, it's still illegal to ask for nudes because it is child pornography
And any Romeo and Juliet law will not exempt you either
And even so..you asked on multiple occasions and tried to work around it..
There is no exemption here
To my knowledge

 **Grady** Even if you were 14, it's still illegal to ask for nudes because it is child pornography

Thank god she didn't. But asking for them still falls under the umbrella
Federal law dictates that. I have a quote from a .gov domain
"Any person who employs, uses, **pursuades**, induces, entices, or coerces any minor to engage in..."

 YoYo Could you link me to this specific page as well?

Yes I could.

Yeah okay I see what you mean. I cannot see them stating any specific definition of "person" as they might do in other cases.
They usually define specific words in laws to clarify what they mean.

There is the one for that chapter.

@Grady Okay so based on the one true victim that there is, although no material was shared, but no others from then on, what happens next?

Grady clarifies that it was still illegal for Ace to have attempted to solicit CSAM content from Lolee when she was 11. Despite the fact that Ace never received CSAM, the act of persuading / soliciting a minor into producing CSAM of themselves is a crime.

Grady Yeah we're doing some follow up research
YoYo 09/08/2025 at 4:25 PM GMT-5
Wait I just noticed something weird about the supposed 11 year old. The way they talk and their knowledge. Proper grammar, good vocabulary and knowledge of child pornography?

Grady 09/08/2025 at 4:28 PM GMT-5
She is eleven
There's no question about it

YoYo 09/08/2025 at 4:29 PM GMT-5
Do you mind me asking how you guys verified it?

Grady 09/08/2025 at 4:29 PM GMT-5
She sent scribbled pictures (to protect most of her identity) of two types of ID Verification to verify her age and name
I deliberately went over a lot with her and others to make sure there wasn't much contradiction

Grady confirms that Lolee **was in fact 11 in 2020**, as she had shown him her censored ID with her date of birth in 2025.

 **Gwamgo** 09/08/2025 at 3:30 PM GMT-5
@AceTheNarrator how old are you right now?

 **AceTheNarrator** 09/08/2025 at 3:30 PM GMT-5

Ace states that his date of birth is September 5th 2005.

 **Syn** 09/04/2020
I mean, are you willing to show bobs? That's kind of my only interest because I'm not kinky.

 **Lolee** 09/01/2020
I have never seen you horny before.

 **Syn** 09/01/2020
Well I'm very horny currently.
And you caused it.
How do you feel?

 **Syn** 09/04/2020
It's alright.
Take your time.
Uhhh....
I might as well ask this while I'm at it.
What about you in a bra or is that also a no?
Unless you don't wear them.

AceTheNarrator was seen throughout September 2020, engaging in inappropriate conversations with Lolee who was ID verified to have been **11** at the time. Ace, **after turning 15** [15th September 2020], was **still seen requesting and pushing Lolee to send CSAM of herself**.

A 15 year old requesting to see sexually explicit content of an 11 year old girl is illegal and absolutely reprehensible, regardless of the fact that the offending party was also a minor at the time. The age gap dynamic between them is disparaging.

As seen in this screenshot, the Lolee situation and the age gap between them was known for many years.

Schlep defending RVVZ (CSAM solicitor)

In 2024, Schlep made a video attempting to defend the owner of **Criminality** being **RVVZ**, a known CSAM solicitor and flagrant DMCA abuser.

This video was then silently privated over a year later.
another roblox developer got "exposed"

Schlep attempted to excuse **RVVZ** attempting to solicit child pornography by claiming that both him and the girl were 16, and therefore were both minors.

This shows a long pattern in Schlep's behaviour where he will defend and excuse arguably egregious actions of individuals if both parties are minors.

Schlep is under the preconceived notion that if the offender is a minor, that suddenly alleviates criminal culpability in the situation.

anything you guys send me i have an extremely hard time believing as you and your friends intentionally made false allegations against rvvz labeling him a pedophile and walked it back instantly after my video. get out of your weirdo hyperfixation on rvvz and get a job

Schlep was seen publicly claiming that RVVZ was being accused of 'false stuff' and 'false allegations'. While the original creators of the aforementioned RVVZ expose document did get RVVZ's age wrong and falsely claimed him to be a pedophile, they still had legitimate concerns about his behaviour in terms of him openly promoting gambling to children and abusing the DMCA system, **but most importantly his solicitation of CSAM. The false allegations do not undermine the illegal actions of RVVZ regardless.**

Schlep was seen silently setting the video to private and offering no statement admitting fault.

This is one of the only videos that was silently privated on his Schleppington [SchlepTV] channel.

Why was this video quietly taken down?

Schlep is seen messaging Parlo stating that all the allegations against RVVZ are 'total bs' and **that he had direct contact with RVVZ about the situation.**

Schlep belittling the Potemer Situation

Throughout 2025, Potemer was called out to large extents for having [orally raped a 12 year old in 2022](#), when he was 16. Potemer also had an extensive history of **posting pornography and NSFW in Discord servers** where numerous **13 year olds** were present inside of when he was **16/17**. **Potemer also continued to engage with the same minor he SA'd when she was 14 and he was 18, further being seen engaging in sexual based topics with her in DM's**.

Schlep **actively knew about this situation**, yet refused on numerous circumstances to use his platform to call Potemer out, this led to Potemer being able to get away with his actions and to this day, continuing to earn thousands of dollars per month completely impeded.

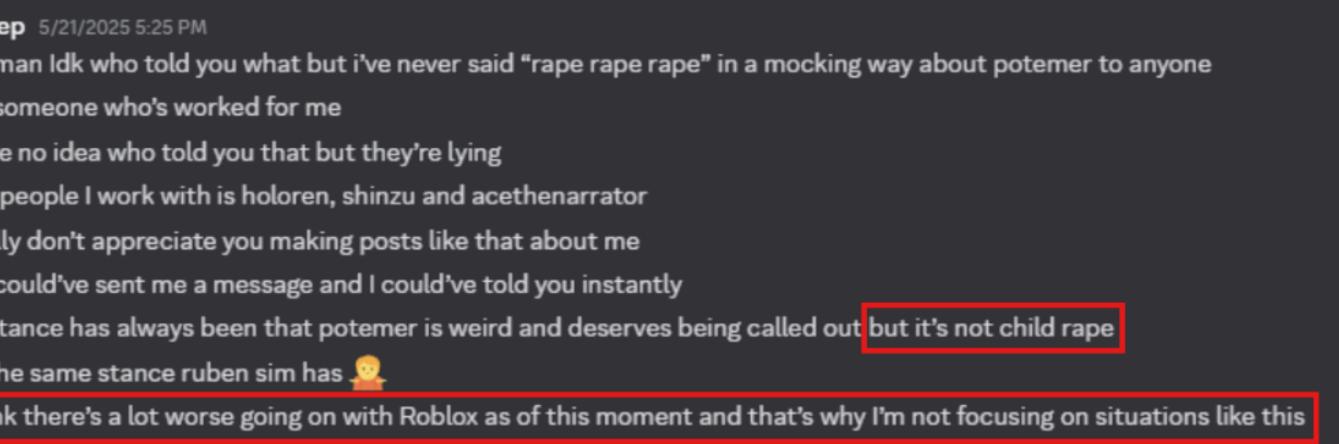

Schlep 5/21/2025 5:25 PM
hey man Idk who told you what but i've never said "rape rape rape" in a mocking way about potemer to anyone
esp someone who's worked for me
I have no idea who told you that but they're lying
only people I work with is holoren, shinzu and acethenrator
i really don't appreciate you making posts like that about me
You could've sent me a message and I could've told you instantly
my stance has always been that potemer is weird and deserves being called out but it's not child rape
it's the same stance ruben sim has 🤦
I think there's a lot worse going on with Roblox as of this moment and that's why I'm not focusing on situations like this

Schlep 5/21/2025 5:33 PM
if you wanna hop on a call and have a conversation about it later i'm more than willing to

⌚ @Schlep i really don't appreciate you making posts like that about me
Gwamgo 5/21/2025 5:47 PM
I made a tweet talking about how I felt about regarding people defending Potemer, the person I spoke to often mentioned that you were making efforts to defend potemer and mocked the videos calling him out, they were also super adamant on you saying the specific phrase "its rape" in a mocking tone which really pissed me off considering Potemers mother has been basically spreading misinformation and doxing both Parlo and myself for a solid month now. From what I understand the situation qualifies as statutory child rape, the victim was 12 years old, and the general minimum age for minor on minor sexual interactions to even be considered potentially legal is 14 but that wasn't the case here as potemer was 16 and the victim was 12.
the tweet I made didn't reference any youtubers because I didn't want to discredit any videos that you made, and I didn't confront you earlier since I was told not to mention it to anyone. I've also heard about Ruben and Travv in relation to the situation, but from what I heard, neither of them were accused of mocking it. Travv actually helped a lot since he was involved in gathering evidence and even got recordings of Potemer trying to silence the victim.
Also sorry for the late response wasn't at my computer

Schlep 5/21/2025 5:52 PM
ok well the only dude that it could've been that works for me just told me that he doesn't even know or talk to you. I've never once defended potemers actions, i've always called it weird but the reality of it is not a single DA would ever take a case like that. At most it'd be a slap on the wrist. This is coming from someone who has gotten arrests in the state where this took place

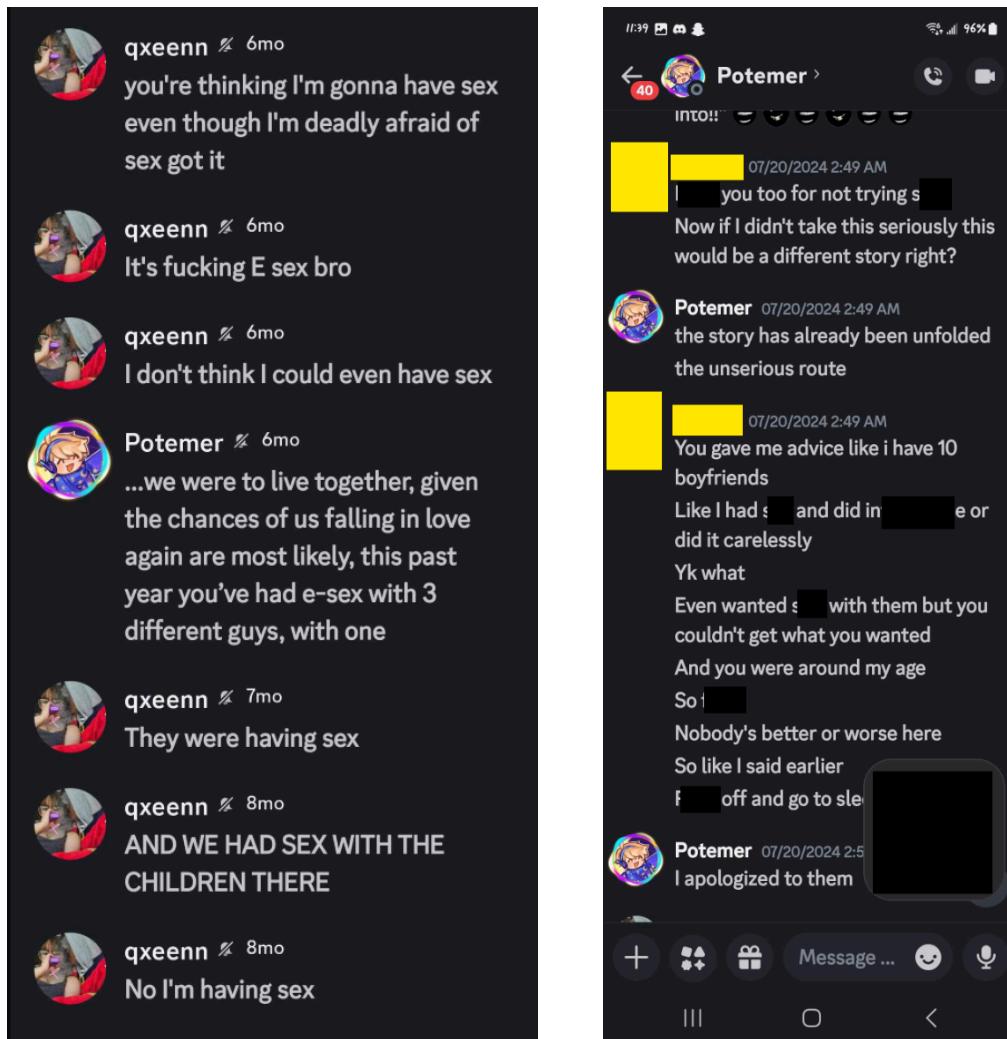

Schlep 5/21/2025 5:25 PM

I think there's a lot worse going on with Roblox as of this moment and that's why I'm not focusing on situations like this

Schlep was seen directly claiming that Potemer engaging in oral sex with a 12 year old girl when he was 16, was '**not child rape**', while also following up by stating that; '*I think there is a lot worse going on with Roblox... and that's why I'm not focusing on situations like this.*'

Schlep follows a principal where he will not intervene in any grooming or pedophilia oriented situation if both parties were minors at the time. He is complicit in covering these situations up even if there were evident examples of groomer-like / abusive or criminal behaviour. It is especially more concerning that Schlep actively withheld on making a video on Potemer and subtly belittled what he did, as this led way to Potemer continuing to make content on the platform after justified criticism against him eventually died down.

Potemer, despite having been a minor during the SA that took place in June 2022, then continued to sexually engage with his victim until he was **18 years old**, and **she was still 14**. They discussed topics to do with sex in dms as well as Potemer suggesting and grooming the girl to the idea of getting back into a relationship and living with each other. This was while he was an **adult** and she was **14**.

These dms were screenshotted when qxeenn [the victim] screenshared her dms to Parlo in January 2025. Most of these messages were sent in **late July 2024**, when Potemer would have been 18. His date of birth is **June 23rd 2006**.

Potemer has exhibited the exact behavioural mannerisms of a groomer, as he openly conditioned his victim into the idea of being in a relationship again and living together, when he was 18 and she was 14. This is an adult taking advantage of a minor, and Schlep turned a blind eye to this situation.

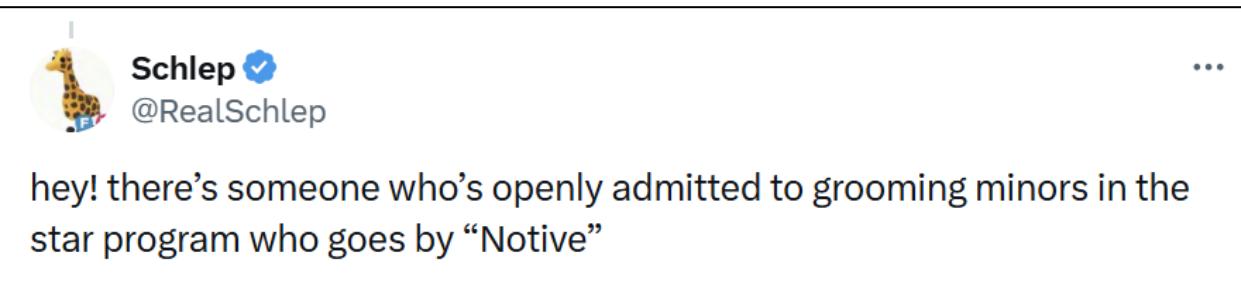

Schlep has actively called out adults engaging inappropriately with minors which have smaller age gaps, such as Native. Native had a 2 year 10 month age gap [19/16].

hey! there's someone who's openly admitted to grooming minors in the star program who goes by "Native"

Google Document Archive on Native;

Why has Schlep willingly turned a blind eye to a groomer who is still actively taking advantage of their victim, with the additive fact that they have a far more disparaging age gap between one another.

It's not AI. That is a noise gate, which is a common feature of both iPhone & AI. Ultimately, it's not fair to say this is "total ai." Using your incorrect knowledge to discredit frequencies isn't right. And iPhones do not always have a true cutoff on a lower quality volume.

Mics pick up different frequencies, and the iPhone mic used here was on Bluetooth. AI has similar features because it compresses the audio like Bluetooth, but this is entirely inconclusive. This is a Bluetooth mic with overbearing frequencies from a noise gate
